**GOLF SOCIETY:  
OLYMPIA FIELDS  
MEMBER/GUEST DAY**

*Olympia Fields Country Club.*

For the last three years, the University Club has had the privilege of sharing reciprocity with one of the nation's most prestigious country clubs, Olympia Fields Country Club. It features two state-of-the-art golf courses and has one of the largest caddy programs in Illinois. From its establishment in 1915, the club has a longstanding and rich history of fostering and supporting amateur athletics. It has also been home to several major golf championships on the professional level, including the U.S. Open (1928, 2003), PGA Championship (1925, 1961), Western Open (1920, 1927, 1933, 1968, 1971) and the U.S. Senior Open (1997).

**On Monday, August 15, OFCC opens up its course for a special member/guest day for University Club members and their guests.** The day will include lunch, golf with games, cocktail reception and a sit-down dinner. Because this is our own member/guest day, you are allowed as many foursomes as you would like. This is a great opportunity to do some corporate entertaining, hold a company appreciation day or just share time with friends. This is the first year that OFCC is offering this to the entire membership and it should be an outstanding day.

For more information on this event or the Club's Golf Society, please contact Ed Tindall.

## GALLERY OPENING

With the urban upheavals of the 1960s, parts of Chicago seemed to be on the verge of extinction. Artist Robert

Guinan wanted to preserve some of this in images. For 30

years, his work focused on musicians, abandoned buildings, etc. Living in a second-floor furnished room on N. Dearborn Parkway, he was only a block from the skid-row district where, in run-down taverns, old black musicians played vintage black music. At the Maxwell Street flea market, blues and gospel singers performed in the open. These people became his models as did the city itself.

**Meet Robert Guinan at the Artist's Opening in the Gallery from 5 to 7 p.m. on Thursday, July 14.**

## MEMBER ART SHOW

The Literature & Arts Committee will present a Club members' art show in March 2012. The committee is inviting current Club member artists and photographers (sorry, no sculptors) to submit their work for consideration. To submit your original work, send a CD or DVD of images (as many as needed to convey the style and finesse of the work) to Amy at [disanto@ucco.com](mailto:disanto@ucco.com), or drop off on 2M. If sending by email, please title it "Member Art Show."

The deadline for submission is December 13 for the opening reception on March 8, 2012. Call Amy at 312.696.2222 with any questions.

Space may not permit the display of works of all of those who submit and it is likely that only one piece will be displayed from each member artist who is chosen to exhibit. Decisions will be made by members of the L&A Committee, with anonymous presentations and voting. Further details will be forthcoming in the 76.
